## SENATE GROUP ASKED TO INVESTIGATE CIA

WASHINGTON (AP) — Actions to the Senate no later than Jan. 31, 1964.

Senate select committee on foreign intelligence was proposed Friday by Sen. Eugene J. McCarthy (D-Minn.).

His proposal calls for a nine-member committee "to make a full and complete investigation and study of the Central Intelligence Agency and to report its findings and recommendations to the Senate no later than Jan. 31, 1964."

"The CIA, although it is engaged in worldwide activities of vital importance to the United States," McCarthy said, "is not subject to either the direct or indirect controls applied to the agencies of the government by Congress or by the President or by the public."
